The Gwangju Institute of Science and Technology (GIST, President Kichul Lim) announced that it received a donation of 25 million won in development funds from the Techno Management Business Academy (GMBA) Alumni Association.

31 GMBA alumni, including Hyojin Co., Ltd. Chairman Seung-jong Na, who serves as the 6th Alumni Association President, Intop Technique Co., Ltd. CEO Gyeong-seop Shim, and Fine Hitech Co., Ltd. CEO Jong-ju Chae, gathered their hearts for the development of the school and created a fund.

The donation ceremony was held on the 7th (Tuesday) after the '10th GMBA Alumni Association President's Cup Sports Festival' was held, with GIST President Kichuk Lim, Vice President for Academic Affairs Sang-Don Kim, 6th GMBA Alumni Association President Seung-jong Na, GIST Development Foundation Chairman Hae-myeong Kim, and Nayoung Industry Co., Ltd. Chairman Jeong-ju Go. It was held with the president and about 240 GMBA alumni in attendance.

6th GMBA Alumni Association President Seung-jong Na said, "I am grateful to President Kichul Lim and Director Myeong-joong Kim for their generous support to

help alumni build friendships, progress, and achieve harmony. All GTMBA alumni will continue to work harder for regional development and harmony with pride as members of GIST."

President Kichul Lim said, "GIST, which celebrated its 30th anniversary this year, pledges to continue its '30 years of excellence into the future' based on the interest and love shown by GTMBA alumni, and promises to make further efforts for the development of the region and the country."

GIST Academy is a non-degree program at GIST that operates the Techno Management Business Academy (opened in 2010) and the Climate Change Academy (opened in 2016).

GIST Academy supports managers in each field to deeply understand changes in the corporate environment and global management strategies through lectures by Korea's best experts and to form a broad human network, contributing to the revitalization of the local economy and industry-academia cooperation.
