- ※ We classify an experimental TA, only if the experiment time exceeds the lecture time.
- ※ Criteria of GIST College TA allowance (for 4 months)

Category		Amount
Lecture class TA	Undergraduate student	200,000KRW per month
	Graduate student	250,000KRW per month
Experimental class TA	Graduate student	500,000KRW per month

4. Check the details of the application and enter the subject name you want to be assign.

- ※ If you need to do a mandatory TA work, select "의무" in 의무대상(Mandatory) category.
- ※ You could enter the subject name that you want to be assigned, but the assignment result might be different.
- ※ You could apply for several departments. But it is a standard rule for one person to be in charge of one subject.

5. The instructors of the class will choose their TA by ZEUS system. And we will send you an e-mail about the assignment result.

※ The assignment may be canceled depending on the result of the class add/drop for the semester.
