

Information on Change of Dormitory Usage Fees

May 4, 2021 (Tues.), Section of Student Service

Dear GIST students,

Kindly check the information on change of dormitory usage fees as follows:

1. Increase of dormitory deposit (Effective from May 1st, 2021)

- Applicable for those who have not completed the room resignation procedure, in consideration of cleaning cost.
- Applicable to enrolled students who return the deposit due to non-fulfillment of the resignation procedure, including freshmen of Year 2022, when entering the dormitory after May 1, 2021.

	Before Change	After Change	Note
Dormitory Deposit	Year 2010 to 2015 Students: 100,000 won Year 2016 to 2019 Students: 50,000 won Year 2020 to 2021 Students: 60,000 won	140,000 won	Including person who exceed yearly contract, interns, and outsiders.

2. Change of dormitory fee for double major extended enrollees (Effective from May 1st, 2021)

- For up to two semesters (9th and 10th semesters), dormitory usage fees for extended enrollees who need to complete their double majors are collected based on enrolled students (deposit included.)
- In the event of non-completion/cancellation of a double major, the students have to pay retroactively the dormitory usage fees the same as the fee for exceeding the standard time frame. (Depending on the completed semester, 2-3 times more than the enrolling students(in their standard timeframe.)

		Before Change	After Change	Note
--	--	---------------	--------------	------

First Year (9th-10th Semesters)	Deposit	Same as enrolled students within the school year.		In the event of non-completion/cancellation of a double major, the students have to pay retroactively the dormitory usage fees the same as the fee for exceeding yearly contract.
	Usage Fee	Twice more than enrolled students within the school year.	Same as enrolled students within the school year.	
Second Year (11 th to 12 th Semesters)	Deposit	Same as enrolled students within the school year.		
	Usage Fee	Three times more than enrolled students within the school year.	Twice more than enrolled students within the school year.	

3. Use of dormitory private rooms (Effective from April 15, 2021)

- As a general rule, a private room (one room with two occupants) will be assigned only under unavoidable circumstance (health problems, etc.) which has been approved.
- Supporting documents (Hospital Medical Certificate or Doctor's Medical Opinion) need to be presented for approval by the Housemaster and usage fee will be applied three times more.

	Before Change	After Change
Private Room Usage	N/A	Only by approval, usage fee will be applied three times more.

※ Monthly Dormitory Usage Fee

- Enrolled Students
