

IMU Award Ceremony 2022

(<https://www.mathunion.org/icm/imu-award-ceremony-2022>)

On 5 July 2022, the International Mathematical Union (IMU) will hold the **IMU Award Ceremony 2022** as a live event in Helsinki, Finland at Aalto University. During the event the winners of the **Fields Medals**, IMU Abacus Medal, Chern Medal Award, Carl Friedrich Gauss Prize and Leelavati Prize will be announced, and the awards will be handed over. The event will be streamed on **<https://www.mathunion.org/icm/imu-award-ceremony-2022>**.

GIST Mathematics Faculty cordially invites all aspiring mathematicians and enthusiasts to **Watch it LIVE together!**

Come and enjoy the 2022 ICM Festivities with your favorite Mathematics faculty and witness the awarding of the Fields Medals, considered to be the most prestigious award in the field of mathematics worldwide.

Among the short list of possible Fields Medal 2022 awardees is Professor Huh June (허준이 교수) of Princeton University & KIAS (한국고등과학원).

Date & Time: July 5th (Tuesday), 3:30PM (KST)

Place: GIST College A - 227

*Snacks and drinks to be provided
